Assistant Commissioner,
Kendriya Vidyalaya Sangathan,
Regional Office,
Jaipur.

Subject: - Workshop of Think Quest training programme for teachers.

Madam,

KVS has decided to hold one day training programme for teachers at the following venues in collaboration with Oracle Education Foundation.

2. The main focus of the training is :-

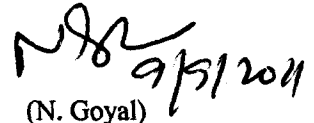

- Help teachers design and manage projects on Think Quest and effectively use it as a part of formative assessment.
 - Support Vidyalayas they are not active on Think Quest by training their teachers to administer an implement Think Quest in their school campus.
 - Encourage participation in the special initiative Chemistry Connect to celebrate the International Year of Chemistry 2011.
 - Empower the teachers trained with adequate skills and competency to train other teachers at the Vidyalaya level.
 - Encourage participation in Think Quest International 2012 competition.
4. You are requested to direct the Principal concerned to choose two willing and competent teachers to attend the training programme one is PGT (Computer Science) and other willing teacher). One of these teachers should be a teacher administrator on Think quest. The teacher should not have attended a project learning institute or GSWP training organized by Oracle Education Foundation. The participating teachers should have their user ID and password. They should have in logged in and checked that their account is working.
5. a) In case the teachers required any support they should contact Ratna Pathak at ratnapathakindia@yahoo.co.in who will coordinate with Mrs. Kamal Peter.
b) Each participating teacher should bring along the names of six students who will work with them in the project and decide on the project topic.
- c) All the participants should reach the venue by 8.30 a.m. on the day of commencement of the training programme.
- d) Further it is informed that Vidyalaya without internet connectivity need not to- depute this programme. The venue should have high speed internet connectivity with uninterrupted power supply.
